

Counselors for Social Justice Student Chapter Agreement.

Chapter Chartering Agreement between Counselors For Social Justice National and University Student Chapter.

Counselors for Social Justice is a community of counselors, counselor educators, graduate students, and school and community leaders who seek equity and an end to oppression and injustice affecting clients, students, counselors, families, communities, schools, workplaces, governments, and other social and institutional systems. In reflection of this, the decision to form a University Student Chapter of CSJ is noteworthy for your institution and represents a commitment on behalf of your department, program, and CSJ to work cooperatively to promote social justice among your students, faculty, and alumni.

This charter attests to the agreement of the university chapter to follow all of CSJ's Bylaws, policies, and procedures in the operation and maintenance of the chapter. These Bylaws are found on the CSJ website (counseling-csj.org), and should be reflected in the University Student Chapter Constitution.

To maintain active chapter status and be eligible for University Student Chapter membership rebates, the chapter will:

- Submit a Chapter Annual Report Form once a year by September 30th. The form includes updated chapter information, accomplishments over the past year, and goals for the following year.
- Meet at least twice every year.
- Ensure all members of the University Student Chapter are members of the Counselors for Social Justice National organization.
- Have, at all times, a designated University Student Chapter Faculty Advisor. The University Student Chapter Faculty Advisor must be a member of a full time faculty member and a member of CSJ.
- Comply with CSJ Bylaws, policies, and procedures as determined by the CSJ Board.

Chapters found to be out of compliance with this agreement at any time may be designated as inactive and will be ineligible to participate in CSJ programs.

Our signatures below attest to the chapter's commitment to adhere to CSJ's policies and procedures. A copy of this signed agreement will be returned to the chapter upon approval by Counselors for Social Justice.
